Thank you for your interest in joining the Graduate Student Council (GSC) Board of Directors (BoD). The GSC was incorporated in 1985 and its mission is to improve the academic, professional, and social experience of graduate students at Caltech by engaging with campus offices, building a diverse and vibrant community, and advocating for a better quality of life. The BoD accomplishes this mission through social and enrichment programming, advocacy work, and fund/resource allocation.

There are two types of “directors”: Division Representatives (BoD Member) and Associate Directors. While only Division Representatives may vote on GSC business, the general expectations for both types of membership are to:

• Attend monthly meetings of the Board of Directors
• Serve on at least one of four primary committees: social, academic, advocacy, or publications
• Serve as an advocate for and representative of students within their option

Division representatives need two signatures** from other graduate students in their Division. Associate directors need no signatures but are encouraged to gather them to demonstrate support from several graduate students. A vote will only be required if there are more nominees than openings for each option, or if an election is requested by five or more members of a Division.

Nominations are due on May 15th, 2018 at 5:00 PM, and nominees must attend an Election Meeting on May 25th, 2018 at 12:00 PM, location TBA. Please submit this form to Dan Johnson by campus mail to MC 131-24, by email to dljohnso@caltech.edu, or by Google Form (https://goo.gl/forms/vSHaZDcFWu7SOXAr1). There are three phases during elections:

1. Division Representatives are selected (by May 25th where elections are required)
2. Newly elected Division Representatives approve Associate Directors (unlimited in number)
3. The full Board of Directors elects the eight steering committee members

For more details, see our bylaws and statutes. Please email dljohnso@caltech.edu if you cannot make elections or if you have any questions. **Signatures can only come from students not currently serving as directors on the BoD. Late nomination forms will require 4 signatures for Division reps.
